Sommelier's Selections

A selection of wines I enjoy drinking

2014 Wirra Wirra Absconder Grenache McLaren Vale, S.A 125

Made from very old vines, it has a profound yet elegant nose combining aromas of plums, Crushed berries, flowers, sweet spices and southern vales earth in perfect harmony. The palate is a seamless, silky progression of deliciously complex flavor's, finishing in a Lingering fragrent aftertaste, supported by superfine tannins.

2014 Wirra Wirra Angelus Cabernet Sauvignon McLaren Vale, S.A 110

Classical varietal Cabernet herbal lift of leaf, herbs and sweet red fruit aromatics. Darker fruit aromas in the background of ripe Blackberry and Dark Cherry and Complimented by rosemary, thyme and cedar that fill the bouquet. Generous Rich red fruits of Blackberry and Mulberry together with savoury nuances of smoked meats And filled earth pulled together with fine yet powerful tannins and mouth-watering acidity.

2014 Rusden Black Guts Barossa, S.A 125

This wine has rich plum and dark blackberries with a coffee mocha finish. The 2014 Black guts melds together the structure of the 2012 and the density and concentration of The 2013. I thought it was an exceptional vintage for Shiraz, with low yields and a perfect growing Season. The two blocks on the vineyard that produce the fruit for the Black Guts have both been Through gradual rejuvenation over a period of 20 or more years. Nurturing an 80 year old and 50 Year old vineyard back to consistent quality was a real joy for the winemaker and also lot of hard Work.

2001 Kilikanoon Oracle Shiraz Clare Valley, S.A 250

There are not many wines in Australia that stand up to 16 years but this one does. A dense purple colour is accompanied by a sumptuous perfume of crème de cassis, blackberry liqueur, scorched earth, smoke, graphite, and espresso. It does not have the rich finish of a younger wine so please Ask the sommelier.

Riesling

Riesling is a white wine, originating in the Rhine region of Germany. Riesling is an aromatic grape variety displaying a powerful & distinctive flowery aroma. It is almost perfumed with apple, pear and stone fruit that frequently mix in mineral elements. Its high natural level of tartaric acid enables it to balance even high levels of residual sugar as well as high acidity. It is used to make dry, semi-sweet, sweet and sparkling wines.

Sauvignon Blanc

Sauvignon Blanc grape gets its name from the French word Sauvage ("wild") and Blanc ("white"). Sauvignon Blanc grapes produce a crisp, dry and refreshing style. Depending on the climate, the flavours range from aggressive to sweetly tropical. The flavours range from sour green fruits of apples, pears and gooseberries through to exotic tropical fruits of melon, passionfruit and pineapple.

Italian Varietals

The French call it Pinot Gris, the Italians call it Pinot Grigio, and it is a mutant clone of the Pinot Noir grape. The grape has a brownish pink to black and sometimes white appearance. Classic Pinot Gris characters include honey & fresh butter balanced by a touch of tinned pears, dried apples and hay with a slightly sweet finish. Pinot Grigio is often described as having smoky & salty mineral notes. It is often followed by pink grapefruit, melon & lemon & balanced by great acidity.

2016	Tim Adams Pinot Gris	Clare Valley, S.A	66

Chardonnay

Chardonnay is believed to have originated in Burgundy region of eastern France but is now grown in many other parts of the World. The Chardonnay grape itself is very neutral, with many of the flavours commonly associated with the grape being derived from such influences as terroir and oak. It is vinified in many different styles, from the elegant & flinty, to rich, buttery & tropical fruit flavours.

Rose

Made from the red varietals, the grapes are pressed and the juice sits with the skins for fermentation – but just for a little while – enough time to obtain a bit of colour and a bit of the skin characteristics. The fermentation continues as a white wine, most often in stainless steel. Rosé styles range from sweet or dry, dark or light in colour; aromas include violets, dried roses, wild flowers, strawberries, cherries, raspberries, apple, and lychee & pineapple.

2016	Rusden Poco Loco	Barossa, S.A	53
2014	Pinchinat	Cote de Provence, France	74

Pinot Noir

Pinot Noir is the name derived from the French words for "pine" and "black". This alludes to the varietals' clustered dark purple pine cone shaped bunches of fruit. A great Pinot Noir creates a lasting impression on the palate and in the memory. Its aroma is often one of the complexes of all varietals and can be intense. With ripe grape or black cherry aromas, frequently accented by pronounced spiciness that suggests cinnamon, saffras or mint. Ripe tomato, mushroom, and barnyard smells are common descriptors for identifying Pinot Noir. It is full bodied and rich but not heavy with substantial flavour despite its delicacy. The most appealing quality of Pinot Noir may be its soft, velvety texture. When right, it is like liquid silk, gently caressing the palate.

Cabernet Sauvignon

Cabernet Sauvignon is one of the world's most widely recognized red grape varieties. In cool regions, the wine is herbaceous and show flavours of green peppers. In regions where the grape is exposed to excess warmth and over-ripening, there is a propensity for the wine to develop flavours of mint, eucalyptus and cooked or stewed blackcurrants. Cabernet Sauvignon with pronounce green pepper flavours earned the nickname of "Monterey Veggies". In parts of Australia, the grape develops more mineral flavours. Resinous Eucalyptus flavours tend to appear in regions that are habitats for the eucalyptus tree.
