## Sommelier's Selections

A selection of wines I enjoy drinking

2010 Yalumba Signature (Cabernet/Shiraz) Barossa, S.A 200

Matured for 20 months in new French barriques and Hungarian, American and French hogsheads

Outstanding totally opaque inky black purple colour with deep dark purple hue. Nosing reveals a lifted aromatic profile of blackcurrant and blackberry which intermingle with some liquorice followed by some chocolaty cedar, earth spice. Full bodied but with an elegant mouth feel the palate boasts rich blackcurrant, liquorice and blackberry flavours followed by some dark chocolate, Cedar and earthy spice. Excellent fruit concentration is supported by a framework of sturdy fine tannins.

2014 Rusden Black Guts Shiraz Barossa, S.A 160

This wine has rich plum and dark blackberries with a coffee mocha finish. The 2014 Black guts meld together the structure of the 2012 and the density and concentration of The 2013. I thought it was an exceptional vintage for Shiraz, with low yields and a perfect growing Season. The two blocks on the vineyard that produce the fruit for the Black Guts have both been Through gradual rejuvenation over a period of 20 or more years. Nurturing an 80 year old and 50 Year old vineyard back to consistent quality was a real joy for the winemaker and also lot of hard Work.

2000 Kilikanoon Oracle Shiraz Clare Valley, S.A 250

There are not many wines in Australia that stand up to 17 years but this one does. A dense purple colour is accompanied by a sumptuous perfume of crème de cassis, blackberry liqueur, scorched earth, smoke, graphite, and espresso. It does not have the rich finish of a younger wine so please Ask the sommelier.

2013 Kilikanoon Baudinet (Grenache/Shiraz/Mouvedra) Clare Valley, S.A 135

The perfect combination of three most noble Rhone varietals come together in a seamless And enticing blend. Medium bodied, yet complex and persistent in the mouth, the spicy plum fruits, perfumed cherry and chocolate notes and nuances of charcuterie and tar effortlessly combine in one compelling statement.

## Wines by the Glass

### Sparkling Wine by the glass 125ml

NV Howard Park Jete Chardonnay and Pinot Noir Mt Barker/Great Southern. W.A 15.00

This wine is a non-vintage blend of Chardonnay and Pinot noir with notes of citrus, brioche Soft red berries and baked apple. The rich and complex flavours of the flavour are balanced by a gentle savoury freshness.

### White Wine by the glass 150ml

2017 Rusden Chenin Blanc

A warm lead up to vintage with very little rainfall saw the Chenin Blanc picked a little earlier than usual, fresh vibrant and zippy example with lower alcohol than previous vintages (11.7%). Hints of orange blossom, lemon zest and oyster shell on the nose, lovely palate weight and texture leads to a clean dry finish. Minerals and lemon curd dominate the palate. 15.00

2016 Paringa PE Chardonnay Mornington, Victoria 14.00

This bouquet is floral and fruit driven with citrus and stone fruit aromas. The palate has rich stone fruit flavours, good texture and a persistent long finish.

### Red Wine by the glass 150ml

2015 Sew & Sew Pinot Noir McLaren Vale, S.A 18.00

Ruby red in colour has bright lifted notes of red fruit and a slight hint of cedar box. Full flavoured wine has a palate composed of juicy dark fruits with hints of peppery spices including black cherries, plums and cloves. Good acidity and soft velvety tannins Combine to create a balanced wine with a good length.

2014 Cape Mentelle 'Trinders' Cabernet Merlot Margaret River, W.A 16.00

Leafy blackcurrant Cabernet fruit superb, plus a palate-filling dollop of merlot completing A most elegant and stylish palate. Plenty of supple sweet fruit in the middle but the sinewy tannin creates such a good balance to drive it to a long focused finish

2015 Charles Melton Father in Law Shiraz Barossa, S.A 15.00

Not black but a deep crimson robe. Juicy, yet savoury aromatic, embellished by a little oak vanillin. A rich but not big palate with a lovely mix of spicy tapenade and plush fruit sweetness on the mid palate. A reasonable but not intrusive lick of tannin will stand the wine in good stead for some years yet.

2014 Cape Mentelle Shiraz Margaret River, W.A 20.00

Plump fruit balance with a degree of chalky angular tannins. There is a beautiful Softness about the palate, with a gravelly and lightly loam character for complexity. Excellent weight in the mouth. Dry and slightly firmish finish.

2015 Terrazas Malbec Mendoza, Argentina 15.00

## Riesling

Riesling is a white wine, originating in the Rhine region of Germany. Riesling is an aromatic grape variety displaying a powerful & distinctive flowery aroma. It is almost perfumed with apple, pear and stone fruit that frequently mix in mineral elements. Its high natural level of tartaric acid enables it to balance even high levels of residual sugar as well as high acidity. It is used to make dry, semi-sweet, sweet and sparkling wines.

## Sauvignon Blanc/Semillon/Chenin Blanc

Sauvignon Blanc grape gets its name from the French word Sauvage ("wild") and Blanc ("white"). Sauvignon Blanc grapes produce a crisp, dry and refreshing style. Depending on the climate, the flavours range from aggressive to sweetly tropical. The flavours range from sour green fruits of apples, pears and gooseberries through to exotic tropical fruits of melon, passionfruit and pineapple.

## Italian Varietals

The French call it Pinot Gris, the Italians call it Pinot Grigio, and it is a mutant clone of the Pinot Noir grape. The grape has a brownish pink to black and sometimes white appearance. Classic Pinot Gris characters include honey & fresh butter balanced by a touch of tinned pears, dried apples and hay with a slightly sweet finish. Pinot Grigio is often described as having smoky & salty mineral notes. It is often followed by pink grapefruit, melon & lemon & balanced by great acidity.

## Chardonnay

Chardonnay is believed to have originated in Burgundy region of eastern France but is now grown in many other parts of the World. The Chardonnay grape itself is very neutral, with many of the flavours commonly associated with the grape being derived from such influences as terroir and oak. It is vinified in many different styles, from the elegant & flinty, to rich, buttery & tropical fruit flavours.

## Rose

Made from the red varietals, the grapes are pressed and the juice sits with the skins for fermentation – but just for a little while – enough time to obtain a bit of colour and a bit of the skin characteristics. The fermentation continues as a white wine, most often in stainless steel. Rosé styles range from sweet or dry, dark or light in colour; aromas include violets, dried roses, wild flowers, strawberries, cherries, raspberries, apple, and lychee & pineapple.

## Pinot Noir

Pinot Noir is the name derived from the French words for "pine" and "black". This alludes to the varietals' clustered dark purple pine cone shaped bunches of fruit. A great Pinot Noir creates a lasting impression on the palate and in the memory. Its aroma is often one of the complexes of all varietals and can be intense. With ripe grape or black cherry aromas, frequently accented by pronounced spiciness that suggests cinnamon, sassafras or mint. Ripe tomato, mushroom, and barnyard smells are common descriptors for identifying Pinot Noir. It is full bodied and rich but not heavy with substantial flavour despite its delicacy. The most appealing quality of Pinot Noir may be its soft, velvety texture. When right, it is like liquid silk, gently caressing the palate.

## Cabernet Sauvignon

Cabernet Sauvignon is one of the world's most widely recognized red grape varieties. In cool regions, the wine is herbaceous and show flavours of green peppers. In regions where the grape is exposed to excess warmth and over-ripening, there is a propensity for the wine to develop flavours of mint, eucalyptus and cooked or stewed blackcurrants. Cabernet Sauvignon with pronounce green pepper flavours earned the nickname of "Monterey Veggies". In parts of Australia, the grape develops more mineral flavours. Resinous Eucalyptus flavours tend to appear in regions that are habitats for the eucalyptus tree.
